

White Vinyl Panel Cushion for Chiavari Chair by Chivari

Enhance the beauty and comfort of your event with our white vinyl panel chair cushions.

Our "Cushy" Cushions!

The easiest to clean!

Spot clean with warm soapy water and a damp cloth. Wipe dry. Test all cleaners on a single cushion to confirm damage does not occur. Harsh chemicals can deteriorate the vinyl.

NOTE: Avoid causing damage to fabric. Do not stack chairs with cushions in place. Do not stack or store cushions with Velcro touching fabric. Stack fabric to fabric or board to board.

What Makes Our Cushions Different?

Double sided Velcro secures the cushion to the chair seat with peel-away self-adhesive.

A classic choice for weddings, receptions, or conferences, our White vinyl Panel Chiavari Chair Cushion ensures that guests stay comfortably seated through the event. Designed with a 2" padding, this product provides excellent support and unmatched comfort.

Our white vinyl panel cushions are constructed with 1.75" high density foam for optimal comfort. Installation is a breeze with our peel-away adhesive Velcro strips. Hook Loop Adhesive Tape securely fastens cushion to seat. Designed for ballroom chairs use on dining chairs and other event seating.

Upgrade your event and delight your guests with the added comfort and luxury of our white vinyl panel chair cushions. Order yours today and take your event to the next level.
