

Clear Resin Art Deco Chair

Sublime beauty and rugged reliability

Our Art Deco Resin Clear Chiavari Chair by Chivari is our latest contribution to the Chiavari chair industry. The chair frame is a single piece made from a mold. Other chairs were created in parts and then assembled. The "Mono-Frame" is very strong, not only painted it also has the chair color mixed into the resin so if the paint scratches, its concealed. Super strong and low maintenance.

What Makes This Chair Different?

Clear Resin Chameleon

One-piece frame, wobble-free, construction. Scratches are concealed. Frame does not need to be retightened. UV treated paint prevents fading and discoloration.
