The Art Deco Resin Clear Chiavari Chair by Chivari is our latest contribution to the Chiavari chair industry. The chair frame is a single piece made from a mold. Other chairs were created in parts and then assembled. The “Mono-Frame” is very strong and requires low maintenance.

What Makes This Chair Different?

Clear Resin Chameleon

One-piece frame, wobble-free, construction. Scratches are concealed. Frame does not need to be retightened. UV treated resin prevents fading and discoloration.
