

Black BasicResin™ Chiavari Chair

NEW FORMULA makes our chairs stronger and more

What Makes This Chair Different?

One-Piece Frame	Frame does not need to be retightened. And no assembly is required.
Color-Matching Resin	The BasicResin™ chair series is not painted so exterior surface maintenance is easier. The BasicResin™ chair series has the color mixed directly into the resin so scratches are more difficult to detect.
Resin Density	High density resin for exceptionally durable chair.

Manufacturing Our manufacturing process guarantees that no parts of the chair will ever loosen up and eventually wobble.

Product Details

Ships Assembled?	Yes
Color	Black
Seat Height	17.75 in.
Chair Height	36 in.
Limited Warranty	1 year, Frame
Material Category	Resin
Seat Width/Depth	15.5 × 15.7 in.
Stack Capacity	8
Arms?	No
One-Piece Construction	Yes
Weight Capacity	350 lbs.
Chair Weight	8.5 lbs.
Overall Dimensions	15.5 × 15.7 × 36 in.
Units Per Pallet	48
Units Per Box	8

Safety, Materials and Construction

Safety Standards	Meets or exceeds ANSI/BIFMA standards
Frame Material	Highest quality Resin
Finish	Non-stick, anti-static

Crafted with Only NEW Resin!

We use ONLY NEW RESIN to craft our chairs. Others may use recycled resin. It's cheaper, but recycled resin can compromise a chair's strength.

Our resin Chiavari chair has a non-stick, anti-static finish..

Perfect for indoor and outdoor events.

Save time and money with reduced maintenance.

Color is mixed inside resin. Scratches are concealed.
