Seat Width/Depth	15.5 × 15.75 in.
Stack Capacity	8
One-Piece Construction	Yes
Chair Weight	8.5 lbs.
Overall Dimensions	15.75 × 15.75 × 36 in.
Units Per Pallet	48
Units Per Box	8

## Safety, Materials and Construction

<b>Safety Standards</b>	Meets or exceeds ANSI/BIFMA standards
<b>Frame Material</b>	Highest quality resin
<b>Finish</b>	Non-stick, anti-static

### Also available in :

### What Makes This Chair Different?

<b>One-Piece Frame</b>	Frame does not need to be retightened and no assembly is required.
<b>Color-Matching Resin</b>	The BasicResin™ chair series is not painted so exterior surface maintenance is easier. The BasicResin™ chair series has the color mixed directly into the resin so scratches are more difficult to detect.
<b>Resin Density</b>	High density resin for exceptionally durable chair.
<b>Manufacturing</b>	Our manufacturing process guarantees that no parts of the chair will ever loosen up and eventually wobble.

### Crafted with Only NEW

We use ONLY NEW RESIN to craft our chairs. Others may use recycled resin. It's cheaper, but recycled resin can compromise a chair's strength.

Our resin Chiavari chair has a non-stick, anti-static finish.

Perfect for indoor and outdoor events.

Save time and money with reduced maintenance.

Color is mixed inside resin. Scratches are concealed.
