

# Black ToughResin™ Unassembled Chiavari Chair

NEW FORMULA makes our chairs stronger and more durable.

Our resin Chiavari chair has a non-stick, anti-static finish.

## Also available in :

## What Makes This Chair Different?

### One-Piece Frame

Frame does not need to be retightened. And no assembly is required.

### Color-Matching Resin

The ToughResin™ chair series is not painted so exterior surface maintenance is easier. The ToughResin™ chair series has the color mixed directly into the resin so scratches are more difficult to detect.

### Resin Density

High density resin for exceptionally durable chair.

### Manufacturing

Our manufacturing process guarantees that no parts of the chair will ever loosen up and eventually wobble.

## Product Details

Color	Black
Seat Height	17.75 in.
Chair Height	36 in.
Limited Warranty	2 Year Warranty
Material Category	High Quality New Resin
Seat Width/Depth	15.5 × 15.5 in.
Stack Capacity	10
Arms?	No
One-Piece Construction	Yes
Chair Weight	9.3 lbs.
Overall Dimensions	15.5 × 15.5 × 36 in.
Units Per Pallet	100

## Safety, Materials and Construction

<b>Safety Standards</b>	Meets or exceeds ANSI/BIFMA standards
<b>Frame Material</b>	Highest quality resin
<b>Finish</b>	Non-stick, anti-static

## We use Only 100% New Resin In All Our Chairs!

Others may use recycled resin to save money – but that makes for a weaker chair. We use only 100% NEW Resins to insure that our chairs are the strongest, prettiest and most durable!

### Built with Only NEW Resin!

We use ONLY NEW RESIN to craft our chairs. Others may use recycled resin. It's cheaper, but recycled resin can compromise a chair's strength.
