

Clear Resin ThinVisible™ Chiavari Chair

Our chairs are made with 100% NEW resin

We use ONLY NEW MARINE GRADE RESIN to craft our chairs. Others may use recycled resin. It's cheaper, but recycled resin can compromise a chair's strength, and cause clouding or discoloration.

Seat Height 17.75 Inches
Seat Dimensions 15.3 x 15.3 In.

Our strong ThinVisible seat is 80% thinner than other Chiavari chairs.

Features a non-stick, anti-static finish.

UV treated paint prevents fading and discoloration.

|------------------------|----------------------------|
| Ships Assembled? | Yes |
| Color | Chivari ProClear |
| Resin Type | High-Quality Polycarbonate |
| MonoFrame Construction | One-Piece Mold |
| Seat Height | 17.75 in. |
| Chair Height | 35.25 in. |
| Limited Warranty | 1 Year Warranty |
| Material Category | Resin |
| Seat Width/Depth | 15.3 x 15.3 in. |
| Stack Capacity | 10 |
| Arms? | No |
| Chair Weight | 10 lbs. |
| Overall Dimensions | 15.3 x 15.3 x 35.5 in. |
| Units Per Pallet | 48 |
| Units Per Box | 8 |

This chair is part of our ProClear ThinVisible™ Series

The chair frame is a single piece made from a mold -- also called a "Mono-Frame". There's no assembly required, because our clear resin chairs are crafted in a single, strong piece.

What Makes This Chair Different?

Each chair is made of a seamless, single mold -- with no need to polish or sand rough edges -- because there are no rough edges! And while other chairs are created in pieces, then assembled, our chairs are crafted in one piece. They are stronger, more resilient and pure clear -- chairs made of recycled resin cannot match our quality. You'll love the "ice-like" finish! ProClear™ and ProClear ThinVisible chairs transmit like a fine diamond!

We Use NEW RESIN

We use 100% new resin (at 260-280 degrees) for our transparent clear chairs, eliminating impurities inherent in chairs that use recycled resin, making them appear gray, blue or dark.

The ProClear Difference

The high-quality, crystal clear resin (polycarbonate PC resin plastic material) frame features fewer lines for a near invisible appearance. And there's never any chipping or scratching.

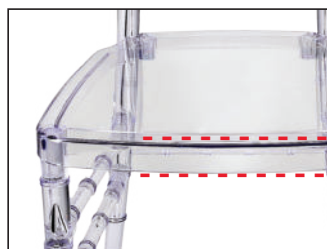

Maintenance

There's no sanding, repainting or staining needed -- ever. our chairs save time and money and deliver years of use.

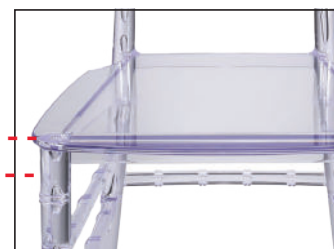

Safety Standards

Meets or exceeds ANSI/BIFMA standards.

ProClear Full Size Seat

Clear ThinVisible Seat: 80% Thinner!

Thin and strong. Our Amazing ThinVisible Chairs.

Our ProClear ThinVisible chair features an ultra-strong, ultra thin seat that's 80% thinner than other Chiavaris. Our ProClear™ chairs are made with high-quality resin to produce chairs with fewer lines, smoother surface, and a clearer transparency than any other.
