

## White Resin Steel Skeleton Chiavari Chair

This chair is part of our Country Club Series™

A resilient resin chiavari chair with a sturdy inner steel skeleton.

**CHIVARI STRONG STEEL SKELETON**

Strongest Chiavari chair on the planet. Steel Reinforced. A gorgeous chair built like a tank!

Seat Height 18 Inches

We use ONLY NEW RESIN to craft our chairs. Others may use recycled resin. It's cheaper, but recycled resin can compromise a chair's strength. And our chairs are 100% recyclable.

### Inside the Steel Skeleton:

**EXCLUSIVE**

This cross section shows an indestructible 18-gauge Steel Skeleton, "Best in class Steel" wrapped in resin, finished with 4 coats of high-quality automotive paint protection.

Paint layers are applied then allowed to cure hard for long-lasting beauty.

An X-RAY View of Our Steel Skeleton Chair: Actual X-Ray images show the steel inner skeleton beneath the beautiful resin finish. This is the strongest and most durable Chiavari chair available today.

### What Makes This Chair Different?

<b>Reinforced Steel Skeleton</b>	A 16-gauge steel skeleton is what makes our Chiavari chairs stronger and more resilient than other chairs.
<b>Color-Matching Resin</b>	Our inner resin core perfectly matches the paint color -- so even tough scratches are virtually invisible.
<b>Clear Coat Primer</b>	We apply a clear coat primer and allow it to cure, ensuring a hard and resilient foundation.
<b>Final Clear Coat</b>	The finishing touch: An automotive shine! We apply a final clear coat to safeguard the integrity of the paint.

### Safety, Materials and Construction

<b>Safety Standards</b>	Meets or exceeds ANSI/BIFMA standards
<b>Frame Material</b>	Highest quality resin
<b>Finish</b>	Non-stick, anti-static
