

Natural ToughWood™ Folding Chair

Our ToughWood folding chair is tougher -- and more beautiful

Our ToughWood folding chairs are the next generation of the wood folding chair. There's nothing like real wood -- and our resin folding chair is stronger, easier to clean, does not require touch-up paint and has a built-in stacking feature. Quick setup, quick breakdown. A clear lacquer finish protects the beauty of real wood.

What Makes This Chair Different?

Highest Quality Hard Wood

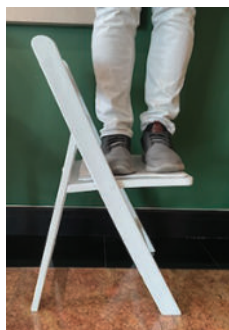

For many, a true wooden chair is the only option. Wood has a look and feel that cannot easily be replicated. We use only High-Quality Rated Hardwood, with a light-weight design. Each joint has both glue and nails. 100% commercial grade.
