

Crown Back Banquet Chair Charcoal Gray Fabric on Silver Vein Frame

Featuring a welded steel frame with support bars and 2 1/2" thick padded seat

18-gauge, 7/8" square tubing for unsurpassed stability and comfort.

All critical joints are welded, creating a stronger -- and longer lasting bond -- for safety and longevity.

We Weld All Critical Joints
We Don't Use Screws To Secure The Frame

A Critical Difference

Our beautiful, muscular Banquet chairs do not use screws to secure the frame -- the joints in our chairs are spot-welded for increased strength, protection and longevity. It's an extra step, but our chairs are built by skilled craftsmen who create the finest indoor event chairs.
