

1.7-Inch Thick Vinyl Panel Chiavari Chair

Available in 6 colors

Double sided Velcro secures the cushion to the chair seat with peel-away self-adhesive.

Features High Density Foam

Enhance the beauty and comfort of your event with our vinyl panel chair cushions. As an event planner or coordinator, it's important to offer your guests a higher level of comfort and luxury. Our vinyl panel chair cushions provide both, while also adding value to your bottom line.

Our vinyl panel cushions are constructed with 1.75-Inch high density foam for optimal comfort. Installation is a breeze with our peel-away adhesive Velcro strips. Upgrade your event and delight your guests with the added comfort and luxury of our ivory vinyl panel chair cushions. Order yours today and take your event to the next level.

A Color and Style for Any Event!

Our vinyl cushions provide additional value and added selection when determining the setting for an event or gathering. With their custom wood base construction, our vinyl cushions fit perfectly and with ease.

Care: Spot clean with warm soapy water and a damp cloth. Wipe dry. Test all cleaners on a single cushion to confirm damage does not occur. Harsh chemicals can deteriorate the vinyl.
