We use sustainably sourced farmed wood in all our wood products. We do not use old growth trees, we do not deforest. Plus we plant new trees in countries devastated by deforestation.

What Makes This Chair Different?

Real Wood

Inspired by the grandeur of Ming dynasty thrones and refined by the unmistakable influence of Danish design, the Wishbone Chair, crafted of beautiful elm, is a true icon of modern furniture. This beauty has been in continuous production since 1950, a testament to its timeless appeal and impeccable craftsmanship.
