

Fruitwood ToughResin™ Willow Chair

NEW FORMULA makes our chairs stronger and more durable.

We use ONLY NEW RESIN to craft our chairs. Others may use recycled resin. It's cheaper, but recycled resin can seriously compromise a chair's strength.

Product Details

Ships Assembled?	Yes
Color	Fruitwood
Seat Height	18 in.
Chair Height	35 in.
Limited Warranty	1 year, Frame
Material Category	ToughResin
Seat Width/Depth	16.5 × 17 in.
Stack Capacity	10
Arms?	No
One-Piece Construction	No
Weight Capacity	350 lbs.
Chair Weight	9.75 lbs.
Overall Dimensions	16.5 × 17 × 35 in.
Units Per Pallet	48

Safety, Materials and Construction

Safety Standards	Meets or exceeds ANSI/BIFMA standards
Frame Material	Highest quality resin
Finish	Non-stick, anti-static

What Makes This Chair Different?

Ultra-Strong Frame	Frame does not need to be retightened. And no assembly is required.
Color-Matching Resin	The ToughResin™ chair series is not painted so exterior surface maintenance is easier. The BasicResin™ chair series has the color mixed directly into the resin so scratches are more difficult to detect.
Resin Density	High density resin for exceptionally durable chair
Manufacturing	Our manufacturing process guarantees that no parts of the chair will ever loosen up and eventually wobble
