Our chairs offer both aesthetic appeal and robust stability, ensuring a 100% wobble-free experience.

The White BasicResin™ Cross Back Chair is a resilient alternative in the resin vs wood challenge. Despite its sturdy resin composition, this chair convincingly mimics the look and feel of wood. The Cross Back Chair enhances any setting with its gracefully curved lines and smooth finish, imparting a charming and inviting atmosphere.

-  Waterproof
-  Spill Resistant
-  Easy To Clean

What Makes Our Chair Different?

BasicResin. This remarkable cross back chair is not only visually appealing but also remarkably durable and WATERPROOF! The Cross Back Chair has garnered widespread acceptance in the event and wedding industry, swiftly becoming a standard fixture for event centers and equipment rental companies. Made in a single piece from the strongest resin available.

Tougher.

Waterproof.

Easy to Clean.
