

White Distressed ToughResin™ Cross Back

The beauty of real wood with the toughness of resin!

The White Distressed ToughResin™ Cross Back Chair is a resilient alternative in the resin vs wood challenge. Despite its sturdy resin composition, this chair convincingly mimics the look and feel of wood. The Cross Back Chair enhances any setting with its gracefully curved lines and smooth finish, imparting a charming and inviting atmosphere.

What Makes Our Chair Different?

BasicResin. This remarkable cross back chair is not only visually appealing but also remarkably durable and WATERPROOF!
