It's no wonder that event planners have made the wood cross back a standard for event centers and equipment rental companies. It is made of beech wood, which looks like a high quality dining room chair.

Made of Beech Wood, Stackable, 3 Coats of Paint, Free Extended Warranty.

What Makes Our Chair Different?

Unlike other chairs, the Chivari Chair Company's wood cross back chair features impact resistant feet at the bottom of each leg to prevent splintering, along with non-skid, non-marring feet. It's a quality cross back chair.

The Ultimate Wood Cross Back

The Natural Wood Cross Back Chair has become the go-to chair for any event, and you'll find it as the seating of choice for the wedding industry. It's at home in the most sophisticated wedding venues as well as the most casual gatherings. These chairs are crafted from beech wood for stability and their smooth sleek design make them one of the most comfortable in the industry.
