

Carrying & Storage Bag for Bamboo Folding Chairs

Stores 4 Bamboo Folding Chairs

Keeping your Bamboo folding chairs looking beautiful is the key to success -- and a great client experience. Even better when you don't have to constantly paint and repair chairs, which increases your costs and lowers profits.

With proper care -- and our carrying bag, bamboo chairs can be stacked and moved over and over without hurting the finish. We suggest heavy duty protective bags for your bamboo folding chairs.

- **This bag is perfect for carrying 4 bamboo folding chairs. It protects the chairs during transport.**
- **Our protective bags are made with heavy duty canvas, not average light duty bags that tear easily.**
- **Each of the 4 compartments has a separator to prevent chairs from rubbing against each other.**
- **Material: military grade canvas; Weighs 4 Lbs.**
- **Includes carrying handles for easy transportation**
- **The bag closes with a thick Velcro strap & metal loop.**
- **Warranty: 1 Year Limited Warranty**
