

6 Foot (72-Inch) Round Heavy Duty Plastic Table with Steel Skeleton

Tough, Durable High-Density Polyethylene Table with 19-Gauge Electrostatic Power Coated Legs

Our High Density Polyethylene Tables are 100% Waterproof and Stain Resistant

Our high-impact polyethylene table top won't crack, chip, or peel, so it's ideal for indoor and outdoor use.

Our reinforced folding legs bend at several joints, so they can be quickly and conveniently folded flat for simple storage and transport.

19-Gauge Electrostatic Steel, Powder coated, 28mm Galvanized Steel Legs

Each foot features a rubber cap to protect floors from scuffs or scratches -- and increase traction on slippery floors.

High-density, non-marring single metal glides protect floors from scratching.

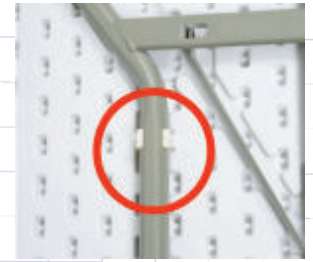

STEEL SKELETON
Reinforcement for more stable performance, and a longer lifespan.

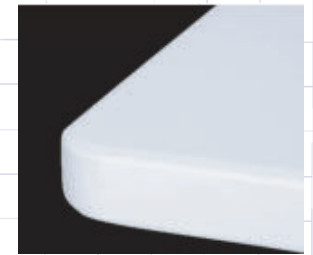

Waterproof

Spill Resistant

Clips located under the table keep the legs fully secure during use, transport, and storage -- ensuring that they won't unintentionally unfold. It's ultra-portable and built like a tank.

Features rounded edges to prevent users and staffers from damaging corners.

What Makes Our Tables Different: **Built for heavy duty**

Our polyethylene folding tables set the benchmark for plastic folding tables in commercial settings. Crafted from high-density polyethylene, the 60-Inch tabletop ensures durability, ideal for indoor and outdoor use. The smooth, rounded edges enhance comfort, making these tables an excellent choice for hassle-free setup/breakdown!

Our hardware locks securely for easy transport and storage. The Chivari Sure-Lock Technology ensures a safe, secure lockdown.

HDPE (high-density polyethylene) is a solid, strong plastic provides a stronger construct than other plastics. It is one of the most durable plastics on the market, far stronger than ordinary plastic materials.

STEEL SKELETON

Reinforcement for more stable performance, and a longer lifespan.

MORE COMFORT

Strong, solid reinforcement makes any event more enjoyable.

MORE SECURITY

More steel reinforcement for more years of service.

Material	High Density Polyethylene (HDPE).
Shape	Round
Size	72-Inch Diameter
