

# 96"x 30" Rectangular Commercial Grade Plywood Folding Banquet Table, Vinyl Edge

## Vinyl Edge

### 11 Layers of Okoume Plywood

Not 8 or 9-Ply like other tables. Our Okoume Plywood Table is 11-Ply, plus 5 layers of polyurethane.

### Not 6 Layers...

Most tables are built with six layers of ordinary plywood

### Not 9 Layers...

Better tables use 9 layers of ordinary plywood.

### We use 11 Layers

Then our vinyl banding is applied, with tons of pressure, locking hardware and folding 16-gauge Galvanized Steel Legs.

Okoume plywood is made from sustainably grown and renewable lumber. 

## What Makes Our Tables Different: 13 Okoume Wood Layers

Our exclusive aluminum EdgeMAX Tables are made from 11 layers of premium-grade Okoume wood, plus two wood veneer layers -- that's 13 layers of wood which deliver exceptional strength. In addition, there are three applied layers of polyurethane to the top surface, and two coats to the bottom for a total of 18 layers of protection!

Over 80% of steel joints are precision welded by robots and sophisticated welds are added by hand. All welds are reviewed and certified by a master welder. And our Cold Formed™ steel alloy bolts improve physical strength and longevity. The steel we use is recyclable at metal recycling plants across the country

### We Bolt Our Table Tops To Their Frames (others don't)

<b>Bottom Runners</b>	2 runners on the table bottom prevent warping and allow table stacking. The Posi-lock wishbone legs fold and lock easily.
<b>Our ToughEdge</b>	Our reinforced ToughEdge protection strip surrounds the entire table and can withstand years of setup and breakdown.
<b>Bolt-Through assembly</b>	Our tables are crafted using only a commercial-quality Bolt-through assembly process for ultimate strength.
<b>High-Strength Bolts</b>	Cold Formed™ steel alloy bolts for improved physical strength and longevity

Material	3/4" Commercial Grade Plywood
Shape	Rectangle
Size	96" x 48" x 30"
Commercial-Grade?	Yes
Edge Material	Vinyl
Folded Dimensions	2.25"
Legs	16-Gauge, powder coated Steel
Leg Color	Silver
Replaceable Floor Caps	Yes
Overall Length / Depth	96"
Overall Height	30"
Overall Width	48"
Tablecloth Size(s)	60"x102", 60"x126", 90"x132
Recommended Seating	8
Ships Assembled?	Yes
Product Warranty	1 Year
Weight Capacity	670 lbs.
Item Weight	60 lbs
