

96" x 48" Rectangle Heavy Duty Plywood Banquet Table with CornerMax

Super Duty Plywood Folding Banquet Tables with INDESTRUCTIBLE Polymer Corners!

Our CornerMax tables are engineered with high-strength polymer resin inserts, bolted to each corner. The inserts are designed and engineered to absorb impact and distribute energy that would damage typical plywood tables.

- Steel legs are forged in a custom mold
- Advanced machinery provides additional curvature
- Steel is protected by Electrostatic Powder Coating
- Multi-Step Coating Process provides maximum protection
- Paint meets or exceeds U.S. environmental compliance standards
- Each steel leg has a static load capacity of 440 pounds
- The steel legs include plastic caps to protect flooring
- Tables use "Cold Heading" aka "Cold Formed" steel alloy bolts

30 Inches
Posi-lock wishbone legs that fold easily but do not open during

Commercial grade, 3/4" (.75") thick plywood (fits standard table skirt clips)

Extra-wide bolted and glued wood runners for safe, secure stacking.

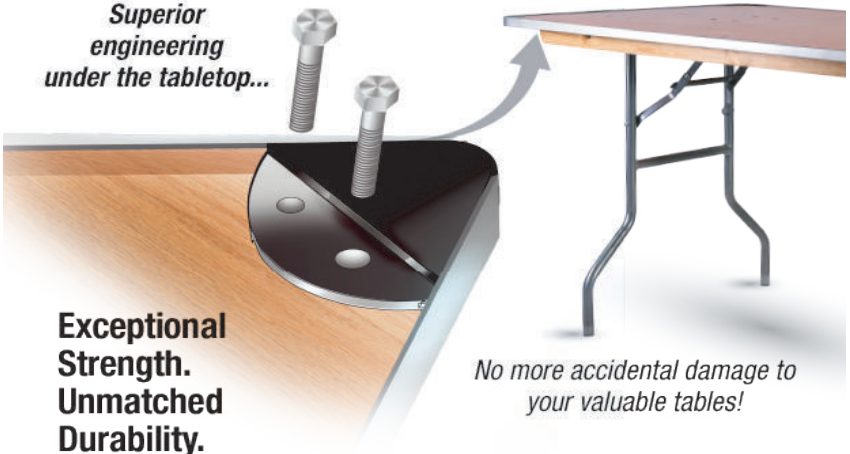

A table is only as sturdy as its legs. Our heavy-duty locking wishbone legs are crafted from tubular steel finished with commercial-grade powder coating.

Exceptional Strength. Unmatched Durability.

On the underside, two wide bolted and glued wood runners facilitate safe and seamless table stacking, ideal for storage and transit. With flush-fitting, flat head bolts and locking nuts securing the runners, stability is assured.

Material	Wood, Solid Pine
Overall Dimensions	96 x 48 x 2.5 in
Commercial-Grade?	Yes
Legs	16 Gauge Steel Tubing
Support post	Folding steel
Replaceable Floor Caps	No
Overall Length / Depth	96" x 48"
Overall Height	30"
Overall Width	48"
Table Weight	87 lbs.
Ships Assembled?	Yes
Product Warranty	1 Year Warranty

Superior engineering under the tabletop...

Exceptional Strength. Unmatched Durability.

No more accidental damage to your valuable tables!
