

Trapezoid Banquet Chair Burgundy Fabric on Gold Vein Frame

Featuring a welded steel frame with support bars and 1" thick padded seat.

18-gauge, 7/8" square tubing for unsurpassed stability and comfort.

**We Weld All Critical Joints
We Don't Use Screws To
Secure The Frame**

...Creating a stronger -- and longer lasting bond -- for safety and longevity.

A Critical Difference

Our beautiful, muscular Banquet chairs do not use screws to secure the frame -- the joints in our chairs are spot-welded for increased strength, protection and longevity. It's an extra step, but our chairs are built by skilled craftsmen who create the finest indoor event chairs.
